Roller Blinds

single | double

Roller Blinds

Roller Blinds are a way to introduce colour and texture into your décor. Blind Inspiration Roller blinds offer a simple, affordable and stylish solution to your windows.

- Single
- Double

Roller Blinds are available in a single blind or dual roller blind application, Blind Inspiration Design Stylists will advise you how to make the right choice in fabrics to achieve sun or privacy control. Dual roller blinds can be configured to keep your daytime privacy as well as providing views to the external environment, lower the dual blind and the ambience changes to create night time privacy. To achieve this, we offer a special blind bracket that allows two blinds to be fitted neatly inside a window sill or on the face of the window. With dual blinds, convenience and functionality of different fabric types may be combined to suit every design requirement.

During the day you can retain your view but stop the glare and in the evening the block out blind can be used for privacy on hot days keep the heat out.

Blind Inspiration's superb internal and external ranges of sun control fabrics all have insulating properties that keep out the intense summer heat, whilst filtering out up to 95% of the sun's harmful UV rays to help protect furniture and flooring.

Blinds can be chain, battery or motorised. Blinds can be linked using one control. Heavy blinds can have spring assistance to make it easy to roll up.

Roman Blinds

sewless | jamaican | original

Roman by Peter Meyer

Roman Blinds

Blind Inspiration has a great selection of

- Sewless
- Jamaican
- Original

Roman Blinds offer a complete window solution.

When Romans are raised they form their own pelmet. Romans should be installed architrave to architrave to give complete block out and excellent insulation properties.

Roman Blinds can be motorised.

Venetian Blinds

aluminium | ecowood | timber

Venetian Blinds

Blind Inspiration has a range of Venetians to suit all purposes and budgets.

- Aluminium
- Eco Wood
- Natural Timber

Aluminium Venetians

Our Slimline Venetian comes in many colours and blade widths. Smaller blade venetians are a perfect choice when you have limited depth in the window frame recess. Aluminium Venetians provide privacy and you can control the light.

Eco Wood Venetians

Timbers like Venetians are the perfect choice and an easy product to keep clean. All slats are washable with warm soapy water. They are especially good for wet or humid areas in the home. Venetians are available in 50mm or 63mm battens.

Natural Timber Venetians

The natural earthy properties of Timber Venetians give any room an easy feeling of warmth and natural beauty as well as being a great choice for controlling light and privacy.

Timber Venetians come in 50mm and 63mm blades.
